Notice of Allowance Information

[Notice of Allowance Mailing Date](#): 03/17/2015

Applicant requests a six-month extension of time to file the Statement of Use under 37 C.F.R. § 2.89 in this application.

Extension Request Periods

[Number of Extension Request](#):

Statement of Use Submitted

Check here if a Statement of Use has already been submitted or is being submitted with this Extension request as evidence that the applicant believes that it has made valid use of, or if applicable, has exercised legitimate control over the use of, the mark in commerce. If the USPTO finds the Statement of Use to be fatally defective, the applicant requests additional time to file an amended or substitute Statement of Use.

Request to Divide

Check here if you either submitted a Request to Divide in paper or are filing a Request to Divide as part of the TEAS Statement of Use form. **PLEASE NOTE:** You must submit the request to divide in conjunction with a timely filed SOU unless an additional basis for registration already exists for the specific goods/services identified as not being covered by this extension request. The mere filing of an extension request without the divisional request and a timely filed SOU is not sufficient. Accordingly, if you do not file a timely request to divide (and statement of use, if required), the goods/services not covered by this extension will be deleted from the application and cannot later be reinserted. For more information on filing a Request to Divide, review TMEP §§ 1110-1110.07.

Owner Information

Check this box to **modify** the owner name that appears below if the name does not identify the current owner of the application.
 Note: If this change relates to a change in the correspondence address or e-mail, please use the "Correspondence Information" section of this form.

WARNING: If the name appearing immediately above is not the name of the current owner of the application, you must change the owner information prior to transmission of this form.

1. Transfer of Mark

If there has been a transfer of ownership after filing the application, you should record this transfer with the Assignment Recordation Branch. This can be filed through the USPTO website at <http://etas.uspto.gov>. In the alternative, you may submit evidence of the change in ownership without recording it, by either submitting a copy of the document transferring ownership, or an explanation of the transfer, supported by an affidavit or declaration under 37 C.F.R. § 2.20. However, the USPTO records will not be updated and the registration will not issue in the correct owner name unless you record the transfer with the Assignment Recordation Branch.

*Name

2. Mistake in owner name

If a minor clerical error appears in the owner's name or a non-existent legal entity was improperly identified as the owner, you may correct this mistake on the form. However, you must separately explain in the "Miscellaneous Statement" portion of this form the reason for the correction. Failure to submit an explanation will result in an Office action being issued before your extension request may be granted. NOTE: You may not add a different owner or designate another legal entity as the applicant. For examples of correctable errors, see [TMEP § 1201.02\(c\)](#).

To enter the change in the owner name:

- (1) check the box above (top) that appears to the left of the words "Check this box to modify the owner name that appears below if the name does not identify the current owner of the application.";
- (2) delete the name that appears immediately above;
- (3) type in the name of the current owner of the application; and
- (4) explain why you are changing the owner in the "Miscellaneous Statement" field.

*Street Address

NOTE: You must limit your entry here, and for all remaining fields within this overall section (except City, see below), to no more than 40 characters (the storage limit for the USPTO database). You may need to abbreviate some words, e.g., St. instead of Street. Failure to do so may result in an undeliverable address, due to truncation at the 40 character limit.

*City

NOTE: You must limit your entry here to no more than 22 characters.

* State

(Required for U.S. applicants only)

NOTE: You must include as part of the "City" entry any information related to geographical regions (e.g., provinces) not found in the dropdown lists for "States" or "Countries." Enter the city and then the geographical region, separated by a comma (e.g., Toronto, Ontario). In most instances, you will then also have to select the country within which the region is found, below.

While you may list an e-mail address for the applicant, the applicant's attorney, and/or the applicant's domestic representative, only one e-mail address may be used for correspondence, in accordance with [USPTO policy](#). You must keep this address current in the USPTO's records.

Check here to [authorize](#) the USPTO to communicate with the applicant or its representative via e-mail.

NOTE: By checking this box, you acknowledge sole responsibility for receipt of USPTO documents sent via e-mail. You should periodically check the status of your filing through the [Trademark Status & Document Retrieval \(TSDR\)](#) system, to see if the USPTO has e-mailed an Office action. If an action has been sent to the provided e-mail address, the USPTO is not responsible for any e-mail not received due to e-mail security or anti-spam software, or any other problems with your e-mail system. Goods/Services/Collective Membership Organization Information

WARNING: If you recently added or deleted a class(es) of goods/services/a collective membership organization, and the correct class(es) are not displayed below, do not use this form. You must wait until the changed data uploads into the USPTO databases, so that the display is correct before proceeding.

WARNING: Registration Subject to Cancellation for Fraudulent Statements

You must ensure that statements made in filings to the USPTO are accurate, as inaccuracies may result in the cancellation of a trademark registration. The lack of a bona fide intention to use the mark with all goods/services, or to indicate membership in the collective organization included in an application, or the lack of use on all goods/services, or to indicate membership in the collective organization for which you claim use, could jeopardize the validity of the registration and result in its cancellation.

Text Form for Handwritten Signature Scanning

This option uses a [Text Form](#) (available after clicking on the Validate button) that will be signed by the proper signatory(ies) in the traditional "pen-and-ink" manner. Or, if you already have a signed declaration for this application, you can attach it directly here, rather than relying on the USPTO's text form version. **NOTE:** If you are using the Text Form approach, you must after validation save the application data, and then pull up the saved form to attach the scanned file for final submission.

Click on the **Browse/Choose File** button to select file that contains the scanned declaration/signature from your local drive. The scanned file should *only* include the declaration language with the appropriate signature information (signature, signatory's name, signatory's position, and signature date). Do **not** include the entire application, but do ensure that the boilerplate declaration language appears; *i.e.*, a signature by itself is *not* acceptable absent the required declaration language.

NOTE: Only one signature is required, regardless of the number of applicants. If necessary, the actual signatory may complete the following fields directly on the Text Form, if you do not know who will be signing the form. If left blank, you will initially receive a WARNING message, which you can by-pass by clicking the "Continue" button. After receipt of the signed declaration, you must then use the information provided therein to complete the fields for "Signatory's Name" and "Signatory's Position." At the time of final submission, these are mandatory fields, which will produce an ERROR if left blank.
